<p>June 20 2:00 pm, ET</p>	<p><b>HSA</b></p> <p>A Health Savings Account is a type of savings account that lets you set aside money on a pre-tax basis to pay for qualified medical expenses. By using untaxed dollars in a Health Savings Account (HSA) to pay for deductibles, copayments, coinsurance, and other expenses, you may be able to lower your overall health care costs. But there is so much more to this underutilized benefit.</p>	<p><a href="#">Register Now</a></p>
